

If you can Dream It, We can Fence It!

Board Fencing

Beautifully designed fencing enhances your outside property, whether for relaxing or entertaining, or to increase the security of your children’s play area. Both sides of the fence have the same attractive finish and design, allowing both you and your neighbors to appreciate its pleasing appearance. The decorative rail adds stability, durability and attractive visual detail. Privacy panels come with a wide variety of decorative tops. Every section includes a metal reinforcement channel in the bottom rail to create a stronger and longer lasting fence. It never requires painting or staining and it is virtually maintenance free.
